Weekend of June 14—June 16, 2019  
Weekly Newsletter

## Welcome!

Looks like a rainy weekend friends—especially for Father's Day! But that shouldn't stop us from enjoying nature, fishing, boating and visiting our feathered friends down by the Fish & Fowl area, right? That area was built in 1970 and has just about wrapped up a renovation. It features a display of at least 14 different species of wild pheasants (some of which are on the endangered species list!), numerous species of waterfowl and swans, quail, partridge and peacocks. Check it out!

If you have questions, please feel free to reach out to Mike Rickard, President or Mike Hammon, Interim Caretaker.

### LIST OF ACTIVITIES

- Chicken BBQ and Open House! Sunday, June 16 from 11:00 a.m.—3:00 p.m. Eat-In or Take-out. \$10.00 donation per meal. Dinner includes salt potatoes, coleslaw, roll, water and a Rice Krispy Treat! Tickets are sold at the Camp Store or see Donna Bobzin at site B29; 585-750-3327. We are currently looking for a few volunteers to help serve at this event. Contact Donna Bobzin.
- Fourth of July Event! Saturday, July 6 beginning at 6:00 p.m. Kids' games, popcorn, fireworks and more! A great family-fun event...
- Don't forget the Membership Meeting on Friday, June 14 at 7:00 p.m. Your participation and input is so important to this Association. We look forward to seeing you!

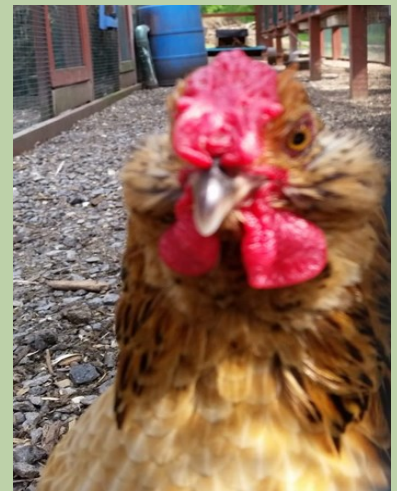

### DID YOU KNOW THAT....

The Chicken BBQ, according to "Planet Barbeque", started with a human ancestor cooking meat with fire about 1.8 million years ago. But barbeques as American's know it today, with spices and basting sauce, originated in the Caribbean.

POOL UPDATE

The concrete pads were poured on Wednesday. The crew is here polishing up the area and anticipating putting in the pool liner tomorrow (Friday). The pool will be filled with water over the weekend (not for swimming) and on Monday, a crew from Ohio will be in to put the power cover on. The fence will be installed on Wednesday or Thursday of next week. The 4th of July is looking good as a target date for opening!

LET'S TALK TRASH AGAIN

Dumpsters and recycling are located at the East end of Camp A Road. This facility is primarily for wastes generated on the property by residents, campers, and day use. Use of the dumpsters is NOT a membership benefit.

The dumpsters are for household and camping wastes. The recycling totes are for clean glass, metal cans, plastic, paper, and cardboard. The recycling can all be mixed in the two totes. However, NO plastic shopping bags should be in the totes. They are considered trash and go in the dumpsters.

Returnable cans and bottles are collected at multiple locations and the proceeds help to fund our free kids' events.

So what should you do with the other items? Here is our recommendation:

- Large items, furniture and construction debris should be taken to the Scofield Transfer Station on Saunders Road in Stafford.
- Metal scrap, old grills, and easy-up tent frames can be brought up to the shop and added to our metal pile.
- Electronics can be taken to the ARC on West Main Street Road in Batavia. There will be a charge for this.
