Weekly Newsletter

## Welcome!

Welcome to the weekend!

We have installed three new bow target bags at the Trap Field and replaced one on the course. The road to the Trap Field was graded today and the huge potholes are now history. Time to practice with your bow! The season will be here before you know it.

### LIST OF ACTIVITIES

- ⇒ Camp Carnival! Saturday, August 24 from 4:00—7:00 p.m. in Camp B down the center row. Come play your favorite carnival game and get a prize as well as eating some great Carnival food! \$1.00 food donation is requested. If you'd like to set-up a game, let us know by calling or texting: Cheryl Burrs 585-880-8306 or Donna Bobzin 585-750-3327. Wagon rides: 7:00 pm, 7:30 pm, 8:00 pm, 8:30 pm at the Clubhouse.
- ⇒ Recreation Ball! Friday, August 30 at 6:30 p.m. in the field at Camp B. A great first event of kickball last week! Let's keep it going!
- ⇒ Candy Bar Bingo! Saturday, August 31 at 11:00 a.m. in the Clubhouse—for kids and adults! Bring a full-size candy bar. There will be extra prizes of ice cream too!
- ⇒ Successful Rock Painting last weekend! In addition to placing rocks around the trails, watch for the creation of a rock garden up on the hill at Camp A.
- ⇒ There was a spur-of-the-moment cool craft last week for campers—check it out to the right. Nice job!

### DID YOU KNOW THAT....

What we call “Cotton Candy” was originally called “Fairy Floss”, introduced at the St. Louis World’s Fair in 1904. It was also at the Fair that fair-goers ate hot dogs and ice cream as they walked along the midway.

### RULE REVIEW

“A maximum of 2 sleeping units are allowed per site, only one of which can be a wheeled unit”

Dumpsters and recycling are located at the East end of Camp A Road. This facility is primarily for wastes generated on the property by residents, campers, and day use. Use of the dumpsters is NOT a membership benefit.

There are the dumpsters for trash and totes for recycling. Please take notice of the two differences: recycling totes are for clean glass, metal cans, plastic, paper and cardboard. Trash dumpsters are for everyday trash like kitty litter, plastic shopping bags, garbage, etc.

Returnable cans and bottles are collected at multiple locations and the proceeds help to fund our free kids' events.

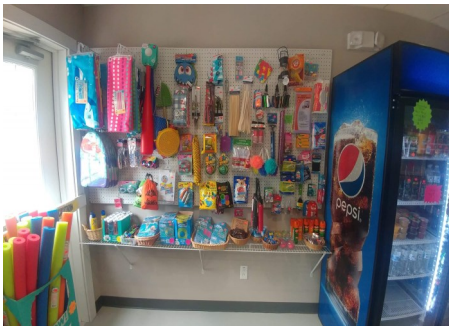

So what should you do with the other items? Here is our recommendation:

- Large items, furniture and construction debris should be taken to the Scofield Transfer Station on Saunders Road in Stafford.
- Metal scrap, old grills, and easy-up tent frames can be brought up to the shop and added to our metal pile.
- Electronics can be taken to the ARC on West Main Street Road in Batavia. There will be a charge for this.

Thank you for your attention in separating trash from recycling!
