Weekend of August 31-September 1, 2019
 Weekly Newsletter

Welcome!

Welcome to the weekend! We hope you all enjoyed our first-ever Carnival last weekend. Thank you to all that helped make it a very successful event—we look forward to doing it again next year. As a result of our Rock Painting Party a couple weeks ago, we have created a Rock Garden up on the hill at Camp A. This garden represents the fun memories we had of painting during a wild rainstorm! Perfect event for such a day....

LIST OF ACTIVITIES

- ⇒ T-Ball Baseball for everyone! Friday, August 30 at 6:30 p.m. in the field at Camp B. A great first event of kickball last week! Let's keep it going!
- ⇒ Candy Bingo! Saturday, August 31 at 11:00 a.m. in the Clubhouse—for kids and adults! Bring a full-size candy bar. You can purchase candy bars at the Camp Store or bring your own. Remember it is one candy bar per board. There will be extra prizes of ice cream too!
- ⇒ Party weekend! We will have some entertainment by D.J. T-Ruff from 7:00-11:00 p.m. on Saturday, August 31. There will also be a 50/50 raffle. Come join the fun!
- ⇒ Movie Night! Saturday, September 7 at 9:00 p.m. down by the row boats. Sit, relax and enjoy!
- ⇒ Hunting & Fishing Days and Open House! September 21-22. Visit our website for more information. This is a great event with demonstrations, vendors, food, kid activities and much more!

DID YOU KNOW THAT....

There is a floating island of rock in the South Pacific Ocean and can you believe that water or plants can break a rock apart!

RULE REVIEW

“Only one vehicle may be parked at a campsite area if room is available. All other, including guests, must be parked in a designated area.”

Dumpsters and recycling are located at the East end of Camp A Road. This facility is primarily for wastes generated on the property by residents, campers, and day use. Use of the dumpsters is NOT a membership benefit.

There are the dumpsters for trash and totes for recycling. Please take notice of the two differences: recycling totes are for clean glass, metal cans, plastic, paper and cardboard. Trash dumpsters are for everyday trash like kitty litter, plastic shopping bags, garbage, etc.

Returnable cans and bottles are collected at multiple locations and the proceeds help to fund our free kids' events.

So what should you do with the other items? Here is our recommendation:

- Large items, furniture and construction debris should be taken to the Scofield Transfer Station on Saunders Road in Stafford.
- Metal scrap, old grills, and easy-up tent frames can be brought up to the shop and added to our metal pile.
- Electronics can be taken to the ARC on West Main Street Road in Batavia. There will be a charge for this.

Thank you for your attention in separating trash from recycling!
