

## WELCOME!

Welcome to the 4th of July Independence Day weekend! This designated federal holiday since 1941, celebrates America's birth of independence. However, the tradition of Independence Day celebrations goes back to the 18th century and the American Revolution. During this uncertain time, we may spend time having casual family gatherings and barbeques. May we be thankful for the freedoms and liberties we do have and that it remain an important national holiday and a symbol of patriotism.
